WORK EXPERIENCE

Bartender June 2017 – Aug. 2017
Lobster on the Wharf Charlottetown, PE

- Assisted colleagues whenever possible to maintain high quality service in a restaurant with a capacity of up to 350 customers.
- Maintained an organized work space to be able to fill orders as efficiently as possible.
- Created a positive experience for customers while multitasking in a fast-paced environment.

Sales Associate Dec. 2014 – Dec. 2016
Moores Clothing for Men Charlottetown, PE

- Built a rapport with customers, which allowed me to identify their needs and put together a variety of options which suited them best.
- Supported co-workers during their sales by putting together additional outfits and preparing paperwork to minimize customer wait time.
- Worked alongside, and adapted to the requests of large wedding parties to keep their event running smoothly and stress free.

Official Apr. 2012 – May 2016
Lacrosse PEI Stratford, PE

- Listened to the concerns of coaches and captains to ensure that they felt heard and to see how I could improve my officiating abilities.
- Advocated for and helped younger officials to gain confidence in their abilities on the field.
- Minimized conflicts between coaches, players, and spectators by making firm decisions and maintaining composure.

EXTRACURRICULAR

Vice President External

Sept. 2017 – Present

UNB Engineering Undergraduate Society

- Secured \$30,000 in funding and coordinated delegations to send UNB Engineering Students to various engineering conferences and competitions across Canada.
